

Sponsorship of students in Kenya

Thank you for sponsoring a student in a Kenyan school. You can be assured that none of your donated money will be used for administration fees and that your student will receive the full value of your support.

Basic sponsorship

Your sponsorship of \$350 will provide your child with:

- Education for a year at their Kenyan partner school
- School uniform including shoes
- Stationery and exercise books
- Exam fees so the student can sit exams each year

Basic plus food support sponsorship

Your sponsorship of \$570 will provide your child with Basic sponsorship benefits and food, providing your child with lunch every day at school. At school's that don't provide lunch, your support goes directly to the family for food supplies.

Global School Partners (GSP) pledge is that 100% of your donation goes directly to the family/school for the purpose intended. We encourage you to build the relationship by writing an introductory letter to your child – send to simon@globalschoolpartners.org.au.
