Sponsorship of students in Kenya

Thank you so much for your interest in sponsoring a student in a Kenyan school. You can be assured that no donated money will be used for administration fees and that the student you are helping will receive the full value of your support.

Your sponsorship of \$350 will provide for a child's:

- Education for a year at the Kenyan partner school
- School uniform including shoes
- Stationery and exercise books
- Exam fees so the student can sit exams each year

Global School Partners (GSP) will:

- Ensure that your donation goes directly to the family/school for the purpose intended
- Allocate a student and send you a receipt, Student Profile and Report Cards
- Facilitate the sending and receiving of letters and photos between you and your student

Due to the falling Australian dollar and rising food costs in Kenya, basic sponsorship no longer covers lunch at school for the student. Should you wish to fund food support for your student this is an additional \$220 per year.

The easiest procedure for the child sponsorships is to email Simon Carroll at simon@globalschoolpartners.org.au if you have questions and preferences for who you sponsor.

Sponsorship may be paid annually or monthly by:

1. Sending a cheque, made out to Global School Partners Ltd, to P.O. Box 9421, Deakin, ACT, 2600; or
2. Logging onto our website to the 'Donate' tab and pay via PayPal or credit card – www.globalschoolpartners.org.au ; or
3. Direct deposit into the GSP bank account
Account name – Global School Partners Community Fee Saver
Account BSB - 082 902
Account No. – 16 833 0177

Please provide an email contact to Simon Carroll to ensure we can send you the receipt (monthly payments are receipted annually at the end of the financial year).

Your sponsorship is for 12 months only after which Global School Partners will invite you to continue your support of your sponsor student.

Note: Sponsorship donations to Global School Partners are tax deductible and you will receive a DGR receipt.
